Chairman Thom,

I am following up to confirm that NDEP, EPA and BLM will be attending next Wednesday March 8 5:30 pm Tribal Council Meeting to discuss the status of the Anaconda Mine Site.

We thank you and the Tribal members for the invitation and we look forward to consulting with all of you over the next several months on future options for managing the Site.

Unfortunately I am unable to attend on March 8 due to a prior commitment, but our Deputy Director of the Nevada Department of Conservation and Natural Resources Jim Lawrence will be attending along with Jeff Collins, Chief of the NDEP Bureau of Corrective Actions on behalf of NDEP.

Regards,

Greg
